

# PowerGiving

*Expand the Possibilities of Giving*

Finally, a way to grow your church through seamless automation and integration of contribution information with your visitor assimilation and member retention ministries!

**1. Increase Giving Through Donor Configured Automated Withdrawals and Online Pledges**

**2. Ease of Online Giving for Your Donors**

**3. Reduce Your Administrative Workload**

**4. Instant Contribution Information Emailed to Executives**

**5. Directly impact church growth when used with PowerVisitor and PowerMember.**

- Get immediate alerts to changes in a donor's giving pattern
- Mobilize highly targeted interventions to meet the specific need of the congregant.
- Add critical information into the processes required to connect visitors and move newcomers through the stages of assimilation and CLOSE THE BACK DOOR.

PowerGiving works as a stand-alone solution or seamlessly with PowerVisitor and PowerMember.

**ConnectionPower™ Solutions Can Meet All Your Church Ministry Needs in ONE unified database!**

## **CHURCH ADMINISTRATIVE FEATURES**

### **Rapid Entry Feature for Manual Entry of Offerings**

Enter your weekly contributions quickly and accurately through our fast entry system with safeguards that ensure credit to the right donor

### **Unlimited User Defined Revenue Funds with User Defined Definitions**

Configure PowerGiving to match your existing revenue funds and easily add new revenue funds with detailed description of the nature and purpose of each fund, for online viewing by donors

### **User Defined Fund Numbering Conventions**

Set up your funds numbering system to match your general ledger for easy export of data

### **User Defined Order of Display for All Funds**

Control the order of funds as viewed by online donors.

### **Query and Print Date Ranges for "All Funds" or Individual Funds**

Get up to the minute reports on all contributions by fund

### **Automated Email Notifications to Executives of Donor's Who Contribute Above User Defined Thresholds**

Establish giving amounts by donors that will trigger automatic email notifications to user defined executive level personnel

### **Automated Interventions Launched Through PowerMember**

Identify changes in giving patterns that indicate possible church withdrawal and automatically mobilize targeted interventions before it is too late

### **User Customized Automated Email Messages to Donors**

Invite congregants to use your new online giving service with customizable invitations and automated thank you-s for contributions

### **Quick Print Feature for Mass Mailing Contributions Reports**

Quickly print and send out quarterly or annual contribution reports to donors in a format that utilizes windowed envelopes for quick mailing.

### **Easy and Fast Approval for Church Online Merchant Account**

We make it quick and easy for you to gain approval for an online merchant account. There are no complicated forms or vendors to deal with. Fill out our quick approval forms and offer online giving to your congregation in no time!

### **Export Data to Excel, tab Delimited and CVs Formats**

Export revenue fund data in common formats to import into your financial management software

### **Comparative YTD analysis with previous YTD Contributions**

View fund progress with historical giving month by month and year by year

### **Downloadable Forms for Contributions Management**

Use our forms to easily count weekend offerings

## **ONLINE ACCESS FEATURES FOR CHURCH MEMBERS ANYWHERE AT ANYTIME**

### **Online Pastoral Communications to Contributors on Donors' Homepages**

Compose pastoral or church leadership messages that appear on every contributor's online homepage

### **Password Protected Personal Web Pages for Donors**

Initiate invitations to online giving with system auto-generated usernames and passwords so donors can participate in online giving with confidence.

### **Online Access to View Contribution Records**

Give the power to your donors to view their contributions progress fund by fund or to see an "all fund" view.

### **Online Contributions to Specified Funds**

Empower your congregants and supporters to contribute to every church fund from the comfort of their homes or anywhere at anytime.

### **Online Pledges to Specific Funds**

Empower your congregants and supporters to make pledges to every church fund from the comfort of their homes or anywhere at anytime.

### **Pledge Meters that Graphically Display Progress towards Pledges**

Donors can visually watch their progress in giving towards all pledges through the power of our graphically appealing pledge meters

### **Set up Automated Withdrawals for Contributions and Pledges**

A proven way to increase church revenues by enabling your congregants to configure online automated withdrawals for multiple funds

### **Donor Updatable Contact Information**

Decentralize church management work by empowering your congregants to change phone numbers, emailing addresses and mailing addresses as needed

### **Donor Updatable Password Controls**

Put your donors in control by giving them the ability to change auto-generated passwords into easily memorized passwords

### **Printable Online Contributions in Multiple Report Formats**

Don't make donors wait! Give them the ability to print online contributions records for themselves.

### **Save Postage Expenses**

Online donors can print records and request that no contribution record be sent from the church
